nd athletes began their annual classic strifes in the 39th University of Pennsylvania Field yesterday, and the above snapshots give some idea of the thrilling action of the upper left glimpse Joe McCluskey, Fordham star, leading the field during the metre steeplechase race, in which the aforementioned Ram set a new carnival record, Edward Jones, Penn septester, steaming across the finish line victoriously in the 100 relay. Drop depicts a typical view of baton-passing in sprint college medley, in representatives shattered the previous standard.

Bill Bonthron brought Princeton the sprint medley, Bonthron, running the anchor half, was in fourth place—and a bad fourth at that—when he took the baton from his teammate Ralner.

But the Princeton middle-distance star was not dismayed, although ahead of him were three of the best college half-milers in America, one of them Brown of Ohio State. Making a pace for himself only possible to a runner of great stamina and speed, Bonthron steadily crept up on the leaders and eventually passed them, until he had flashed ahead of Brown in the stretch.

Johnson, Weaver, Ralner and Bonthron ran in that order for Princeton.

### Three College Records

Three new college carnival records were established during the course of the afternoon. Keller's high hurdle mark fractured the old figure established by himself in 1931 of 14-7-10 seconds. Manhattan's distance medley performance cracked the carnival record of 10 minutes 20 seconds spun by a Yale four in 1915, and McCluskey contributed a feat in the steeplechase that shattered his old relay mark of 2:28 6-10 made last year.

After all is said and written, however, it is Keller, that gauging marvel from Ohio State, who held the spotlight in the opening events of the carnival. He was the most busy athlete of the hundreds who trod the turf and churned up the cinders of Franklin Field before 8000 admiring spectators.

Early in the afternoon Keller reported to the starting line for the preliminary heat of the high hurdles and promptly established a new carnival mark of 14 and 6-10 seconds in dominating the opening heat. A few minutes later he went over the sticks in the semi-finals.

## Brother Trio Stars in Wrestling Meet

CHICAGO, April 28 (A. P.).—The three best brothers from Manhattan's Teachers College, at Lakewood, took the show in the first round of the national amateur wrestling championships tonight as the favorites edged past the initial testings.

Five fifteen-round boxing bouts in Pennsylvania were legalized today by Governor Pinchot.

The Governor signed the bill of Representative Joseph G. Steedle, Allegheny, which extends the limit five rounds beyond the present 10-round limit.

The 15-round limit becomes effective September 1.

Pinchot vetoed a similar bill two years ago. The drive that resulted in enactment of the Steedle bill started several months ago when Jack Dempsey, the former heavyweight champion, visited the Governor.

In urging the 15-round limit Dempsey said he would attempt to bring the proposed Max Schmeling-Max Baer heavyweight fight to Pennsylvania.

## Sacrifice Wallop Gives Griffs Win Over New Yorkers

NEW YORK, April 28 (A. P.).—While 25,000 eager fans waited for war to break out any minute, the Washington Senators nosed out the Yankees today 4 to 3 in 10 innings of a mild and decorous ball game that was like anything but the riotous proceedings that featured their last clash by Washington Tuesday.

With Ben Chapman on the slides for the Yankees, Buddy Meyer and Earl Whitehill banished from the Washington array by the American League president, William Harridge, for their part in Tuesday's incidents, both the Yanks and Senators leaned over backward being polite to each other.

Except for these two outbursts, Southpaw Wally Stewart held the Yankees safe, allowing but six hits, while the Senators, led by Manager Joe Cronin, pounded George Pippen for 11 hits.

Carefully avoiding all menacing gestures, with scarcely a word spoken on the field, the Senators won the game in the 10th in orthodox fashion. Cronin singled, moved to second on Schultz's bunt and scored on Joe Keller's clean single to center.

Earl Combs doubled with two out in the Yankee half, but was left on second.

## Ed Don George Pins Regis Siki

LEWISTON, Me., April 28 (A. P.).—Ed Don George, 200-pound wrestling champion of the world, defeated Regis Siki, 212-pounder, in a hard-fought bout at the Lewiston Athletic Club tonight, scoring a 15-0 victory by taking the first pin in 0:51 and a reverse body slam for the deciding fall in 2:21.

All other bouts ended in a draw with Pat Truby, 215, of Toronto, against John Hinds, 215, of Poland, in 30 minutes, and Louis Zarnoff, 210, of Boston, against Benjamin, 210, Seattle, after a thirty-minute scum.

### JENKINTOWN HIGH TOWNS

Brilliant pitching by Quentin Selts and timely hitting by Mitchell, Stohler and Roberts enabled Jenkintown to annihilate a 3 to 1 victory over Jenkintown High at Jenkintown yesterday afternoon.

no time with forearm smashing of strikes of showmanship and concentrated on the business of applying a variety of holds that thoroughly established his right to be called a mat maestro.

Dushek met London half way in the matter of keeping the bout clean, and as a result the bout was waged altogether on its merits. The challenger was outwrestled beyond all question of doubt, but he made a splendid showing, particularly over the first half-hour of action.

### Torture Holds Used

Both applied so-called torture holds whenever possible. Once London had an arm up the back that gave the Greek some moments of agony and led referee Ben Paul to ask the champion whether or not he wanted to quit.

London shook his head in the negative and eventually acquiesced to counter with a toe hold that was as deadly as the lock that Dushek had applied.

The tables were now completely turned, and as London seemed determined to wrap Ernie's leg around the Dushek neck the referee asked the tormented man whether he wasn't willing to call it a night. Ernie was just adamant as London, however, and after taking it for three minutes managed to kick himself free.

Later in the bout Dushek had a couple of mean spins, which he combined with an ankle twist. On each occasion London suffered no little, but always managed to get loose.

The finishing attack was a combination body slam and Japanese arm-lock. The London program was to slam the challenger twice and on the second of these slams he fastened on the arm-lock before his victim could recover from the shock of being crashed to the floor.

### London Applies Arm Lock

Three times London did this and then, when he figured that Ernie was so softened up that his resistance would be inadequate, London applied the Japanese arm-lock from directly over his opponent's prostrate body. With his left arm twisted in the vice-like grip of the Greek, the latter bearing down on his chest with every ounce of the champion's 201 pounds, Dushek's shoulders were slowly but surely forced to the mat and held there for three seconds constituting a fall.

It was not a spectacular battle, but it was real warlike; from beginning to end. Only once was either man entirely out of the ring proper. On that single occasion it was Dushek who went through the ropes to the apron when London flung him away with great force in breaking a front headlock.

The winner was a pound heavier

Geneva, fell going into the turn, Beatty stayed out in front until they were twenty yards from the tape. There Bob Jackson, a Philadelphia boy running for Lehigh, produced a spring that carried him abreast the colored timber-topper. Shouldered to shoulder they flashed toward the finish line and it looked like a dead heat until Beatty dove head first the last three yards to break the strand with his heaving chest—a winner by inches.

It was no close that the judges went into a long conference before announcing the winner. Beatty's time was 8-10 seconds, as compared to his winning performance of 6-3 and 3-10 seconds last year. The world's record is 6-2 seconds flat, held jointly by F. Morgan Taylor and Glen Hardin, Jackson, of course, was second, with Whitaker, of the Navy, third, and Reidel, of Columbia, fourth.

There were sixteen entered for the 120-yard high hurdles and four preliminary heats were run with the first two qualifying for the semi-finals. The first two and the fastest third man in the final, Jack Keller, Olympic star from Ohio, Jack Keller, who took the opening heat and established a new carnival record of 14 and 6-10 seconds. The Red Flash jumped away from his field with the bark of the gun and finished 18 yards ahead of Wilcock, Princeton timber-topper, who won his way to the semi by finishing in second place.

George Lockwood, Yale, captured the second heat in the rather slow time of 15 and 3-10 seconds. Liberty, Michigan State, qualified in second place.

The third heat was won by Bath, who takes the hurdles for Michigan, in even-slower time, 16 and 3-10 seconds. Penn placed a man in the semi-finals when Ray Walters finished just behind Bath. Person, Manhattan, was pressed hard by Chapman, wearing the green of Dartmouth, in the fourth and last preliminary brush. The best from Broadway was over the barriers to win in 15 and 5-10 seconds.

Thus the eight qualifiers for the semi-finals were Keller, Ohio State; Wilcock, Princeton; Lockwood, Yale; Liberty, Michigan State; Bath, Michigan State; Walters, Pennsylvania; Person, Manhattan, and Chapman, Dartmouth.

It was decided that a ninth man, the fastest third, should also be admitted to the semi-finals. It proved to be Bill Embury, of Dartmouth.

Keller did not extend himself in the first semi-final, but won it easily in 15 8-10 seconds, several yards ahead of Person. Lockwood won the second semi in 15 flat. The others to qualify for the finals were Bath and Wilcock.

**Penn. Quartet Victor**  
Freihof, Andrusky, Maskrey and Howie Jones, of Penn., turned in the best time in the preliminary heats of the quarter-mile relay championship, running in the order named, with Jones turning in a fine performance at anchor. The Quaker quartet flashed around the track in 42.2. Georgetown was a rather poor second and the West Chester Teachers were third.

New York University, with Healy, Krosney, Weinstein and Kunitzky running in the order named, turned in 42.9 to win the opening scunner. Yale qualified by taking second place and the Army was third. Ohio State's much-discussed four—Wiley, Taitelbaum, Richards and Staff—captured the third heat, but, due to some faulty passing of the baton, the time of the defending champions was 43.1. La Salle took second place and Rutgers third, with Bahr, of the Blue and Gold, beating out McMahon, Scarlet anchor man, in a hard and close fight down the stretch.

**Hickey Wins Hop-Step-Jump**  
The first and only field event of the day, the hop, step and jump, drew only three entries, who per-

formance in a stirring race to take the title home to Lafayette. The Eastonians sped over the mile in three minutes, 32 and 3-10 seconds.

Up until Clarke took the baton for the anchor it was anybody's race, but Clarke drew away from Smith, Manhattan anchor man, from the moment that he took up the burden and steadily drew ahead until he had breasted the tape in triumph, Lehigh was third.

Dickinson captured the Middle States one-mile "B" championship when Day, Gothic, Finney and Davidson sped around the track in three minutes, 31.7-10 seconds. Delaware was second and St. Joseph's was third.

Dickinson had much the best lead, and after the first leg, which was fairly even, completely dominated the picture.

base if Chapman had not been obliged to leave through the Washington dugout."

Hartridge said he saw no reason for punishing other players who took part in the general fight that showed Chapman's engaging the southpaw pitcher on the dugout steps.

Clark Griffith, owner of the Senators, said he would not protest the verdict, though he believed Chapman, whom the players isolated had twice previously spiked Myers, should have been punished more severely.

Manager Joe McCarthy of the Yankees appeared satisfied with the decision.

**FRIENDS' CENTRAL WINS**  
Friends' Central captured its second win in the interscholastic series when it defeated its rival, the Red Sox, in a 1-0 victory over the Red Sox yesterday afternoon at the Friends' Central Grounds.

Philadelphia Catholic Junior High School defeated West Philadelphia in a 1-0 victory over the West Philadelphia team yesterday afternoon at the Philadelphia Catholic Grounds.

Left-hander Justin McLaughlin throttled them in order. Then Bixton's threat in the ninth was stopped by Fothergill's hitting the double play ball to Chockel.

The Red Sox used four pinch hitters and Fothergill alone failed them. Watwood and Winnett walked acting for others, while Jolley's pinch homer put the Red Sox in the game.

The Athletics made eight hits, two off Welch and six off Andrews. Jimmy Foss led with a single and a double, boxing home three of our nine runs and scoring another. Without these deeds of the Maryland bread-baker the A's would have been beaten. It was significant that every one of the eight hits made by the winners figured in the run making.

Allegany Nine Wins From Southern Foe  
Allegany went into a hole for first place with yesterday's victory over the P. L. Yellow Cab Baseball League. The result of a 10 to 11 victory over Southern at 11 and 11:45 a. m. yesterday, the Red Sox were eliminated from the playoffs and the Yellow Cab team advanced to the playoffs.

# AT FRANKLIN FIELD

## Haverford Captures Interac Relay; Gratz Team Wins; Canadians Beaten

Sturdy legs appended to healthy torso, pumped fast in Franklin Field's schoolboy attraction yesterday afternoon in its contest that two Penn Relay records were hurled into discard by scintillating youths from neighboring State.

From Brooklyn, N. Y., came the purple-and-white clad representatives from Bishop Loughlin Memorial School, and from across the river from New York City, to be exact, trumpeted Stuyvesant High School and Blue speedsters.

These eight boys, Milder, Baron, Gibbons and Herbert of Stuyvesant, and O'Connor, Reilly, Carey and Ruedan, from Loughlin were a whole meet in themselves. Both quartets turned in two victories, and each was credited with a new record after the hurly-burly was done, and all their races won!

But there were many other features in the schoolboys contests yesterday. Haverford School's triumph in the intercollegiate one-mile scramble, (and victory in its relay, the complete rout of Hamilton Collegiate Institute's invaders from Canada and in general, a veritable track "follower's" dream of keenly contested races all contributed to the general satisfaction and enjoyment of the 30,000 spectators.

In winning the mile relay for Class B preparatory school supremacy, the aforementioned Loughlin Memorial speedsters clipped one-tenth of a second off a record hung up by De LaSalle speedsters away back in 1925.

### Bang Go the Records!

There was never any real question of doubt as to the outcome of this event. Loughlin took the lead at the outset, and managed to hold onto it until the end despite the threatening challenge of Brooklyn Poly Prep's runners, who were only a few paces behind at the finish. The Loughlin performers, however, were not to be deterred; timers announced that they had negotiated the distance in 3 minutes 30 1-10 seconds.

The Loughlin representatives were really capable of doing even better than that, though! They conclusively demonstrated this salient point to the cheering thousands a few events later on in the program when they romped to a second victory, this time in the race for the class A preparatory school one-mile championship. Newark provided some stiff competition in this one, and the winners were forced to step around in 3:26 2-10 to annex the event.

Just as Loughlin by its dual victory yesterday proved the class of the preparatory school relay teams, so did Stuyvesant dominate the high school field. Unlike the Flatbush champions, however, the Stuyvesant entries did their faster running in the Class B high school race, in which West Philadelphia High's speedsters were right on their heels all the way.

From a local angle perhaps the most interesting schoolboy event was the mile-relay for Intercollegiate League honors. Haverford School took the decision in this one, which found Englewood, Episcopal's anchor man, pressing hard at the finish.

### Canadians are Topped

Captain J. R. Cornelius' Hamilton College Institute entrants, who came down to Philadelphia from their home town in Ontario, Canada, to defend three American championships, failed to measure up to previous performances. The Canadian slant out of the interscholastic meeting on Friday, yesterday managed to take second place in one contest, the two-mile (4000 yard) hunt, but they were again blanketed in the one-mile relay which has already been described. In 1922 the pacers from across the border annexed all three of these features.

Bl. Benedict's took possession of the two-mile throne when they beat the Canadians along with the others in 8 minutes 17 6-10 seconds, which was more than eight

champion, who finished third in the Olympics, was distinctly off form and the best that he could do was 153 feet, 1 1/4 inches, a very indifferent performance for McDougal and only good enough to get him third place.

Pete Zarembo, a 220-pound giant from N. Y. U., won the event with the creditable loss of 161 feet 5 inches, while Lingie, Princeton strong man, was second with 154 feet place by a slight margin over Reank, also of the Violets, who slung the hammer 152 feet 1 1/4 inches.

There were three preliminary heats in the 480-yard shuttle hurdle with the three teams making the best time, qualifying for the finals.

Much to the amazement of track sharps the Penn quartet of Munger, Walter, Condit and Pfeiffer trimmed the highly touted Yale team in the second brush and hung up the best time of 1 minute two and eight-tenths seconds.

Michigan State won the first heat, qualifying in 1 minute three and two-tenths seconds, while Cornell finishing only a step behind Michigan State in 1:34-10, was the third team to qualify.

The second heat was all lost effort. It brought together Dartmouth and Army. Army was disqualified for a faulty touch-off while Dartmouth's time of 1:04 was not good enough to get the Green-clad hurdlers into the finals.

Pfeiffer Holds Own The performance of the Quaker team was most impressive. Condit, running first, held his Yale opponent even and then both Ray Walter and George Munger, running in that order, both whipped their opponents in the next two legs and gave Pfeiffer a lead of 10 yards over Lockwood, highly rated Yale anchor man.

The thousands banked in the stands wondered whether 10 yards would be enough for the Penn anchor man, but Pfeiffer did not need any advantage whatever for he went over the timber with the same speed maintained by Lockwood, which enabled him to break the tape still 10 yards in the lead, just three-tenths of a second behind the carnival record established by a great Ohio State team last year—a team that was a

won the national 70-yard indoor championship.

After Kelly's tragic mishap Widmyer went on to win in the comparatively slow time of 10 2-10. Hardy, Cornell, then, proved himself a formidable threat by capturing the second seat in 10 flat.

The others to qualify for the final were Smith, Yale; Maskrey, Penn; Hurley, Villanova; and Lynn, Clemson.

Three colored institutions fought it out in the first of the college mile relays, with four capable quartermilers from Lincoln beating out Morgan in the excellent time of 3:29 7-10. Howard was third.

Not so good was the time of Rider College, of Trenton, in taking the second event in 3:31 6-10. The Jersey mosquitoes were never extended, however, Delaware finishing a poor second, and John Hopkins third.

Dickinson hung up a mark of 3:29 2-10 in annexing the third of the series with many yards to spare. Haverford and Susquehanna had a close fight for second with the Main Liners winning out when Anchor Andrews fought off the challenge of Hartman.

Kremer, Wofner, Elliott and Baker then put Villanova into the spotlight by hanging up a remarkable mile of 3:23 4-10 in capturing the fourth gallop.

The Wildcats ran away from Geneva and Moravian, Baker finishing far ahead of the field in a remarkable sprint.

Teachers Beat Villanova The Western Teachers from Michigan promptly took the honors from Villanova by clipping a tenth of a second off the Wildcats' mark in the fifth of the series, beating out Presbyterian of Clinton, South Carolina, in 3:23 3-10 seconds. Manhattan was third and a blanket could have covered the three anchor men at the finish, so close was the finish.

Cowling, Borden, Gallico and Deibel, carrying the Maroon and White of Fordham, raced to victory in the next, their time being 3:23 1-10. Bates was a good second and Rutgers third.

This was the last of the college mile relays and the title went to the Western Teachers by virtue of their 3:23 3-10 in the fifth race.

FORDHAM CHECKS VILLANOVA'S RUSH New Yorkers' Fourth D Round Flare-up Sends Wildcats Down 8-6

From The Inquirer Bureau. NEW YORK, April 20.—Fordham, by an 8-6 victory over Villanova, effectively stopped the winning streak of the Main Line College which has stretched from the start of the season. The game, which was played at Fordham field, showed the 2500 spectators almost everything that can happen in a ball game.

There were 19 hits, including two home runs, a triple and a double. There were 13 errors, seven of which were committed by the winning side. There were 13 strikeouts, nine of which were engineered by the losing pitcher. Five bases on balls, two wild pitches, a passed ball, a balk, two hit batsmen and a couple of double plays.

Aster continued unbeaten in college competition, but scarcely covered himself with glory. Villanova pecked away at his offerings for 10 hits. The most devastating of these was a tremendous home run by the third baseman, Frank Staff, which rolled a good 500 or 600 feet to the practice football field. This came in the fourth inning and gave the visitors a 2-to-1 lead, but Fordham came back in its half and scored six runs.

raced to a new world's record of  
10:14 for the two and a half miles.

This brilliant performance was  
the outstanding achievement of a  
banner day as meet marks were  
shattered in nine of the events and  
as the three major titles went to  
Manhattan, Princeton and Penn.  
A fleet Nassau four captured the  
sprint medley crown and the Red  
and Blue annexed the 440-yard re-  
lay championship, neither, how-  
ever, winning in record time.

The new marks went to the  
Green relay four, to the Mercers-  
burg quartet in the scholastic  
sprint relay, to Jack Keller of Ohio  
State in the 120-yard high hurdles,  
to Joe McCluskey of Fordham in  
the 3,000-meter steeplechase and to  
Philadelphia schools in five minor  
races.

### Triumphs by Fifty Yards.

With burly Frank Crowley, the  
intercollegiate indoor mile cham-  
pion, unreeling a fine 4:19.2 effort  
on the anchor leg, the Manhattan  
combination spread-eagled a good  
field to win by fifty yards from  
N. Y. U., the defending titleholder.

From an international standpoint  
the Manhattan achievement will  
not receive record recognition, but  
will be accepted for the American  
record books. With Bill McGeogh  
stepping the quarter in 0:50.6, Joe  
Burns racing a 1:54.4 half-mile and  
Jackie Ryan uncorking a 3:09.8  
three-quarters prior to Crowley's  
blazing mile, Coach Pete Waters's  
protégés had a beautifully balanced  
set of performances.

With its defeat in this test N. Y.  
U. joined Ohio State and Penn  
State in the ranks of the beaten  
1932 winners. The Buckeyes fin-  
ished third behind the surprising  
Penn and N. Y. U. quartets in the  
440-yard race and the Nittany  
Lions went unplaced in the sprint  
medley.

### Makes a Brilliant Finish.

Princeton owed its triumph in  
the sprint medley to the superb  
finish of Bill Bonthron, who came  
from fourth to first in the last fifty  
yards to show the way to such  
sterling half-milers as Bob Brown  
of Ohio State, Ward Hardman of  
Navy and Wayland Dunaway of  
Penn State. His individual clock-  
ing was announced at 1:54.5.

All three victors in the three spe-  
cial races were repeat winners,  
each snapping the tape in his event  
for the third consecutive time.  
Gene Beatty of Michigan Normal  
dived over the line inches ahead of  
Bob Jackson of Lehigh in the 400-  
meter hurdles test, but for the  
other two their margins of success  
were clean-cut and decisive.

Keller's hurdling was an extraor-  
dinarily fine effort as he first broke  
his own carnival mark of 0:14.7,  
with an 0:14.8 exhibition in his first  
heat and then fled over the sticks  
with a faultless display in the final  
to win in the amazing time of  
0:14.3, five yards ahead of his near-  
est rival, Charles Pessoni of Man-  
hattan. This clocking was only  
one-tenth of a second behind Percy  
Beard's world's record of 0:14.2.

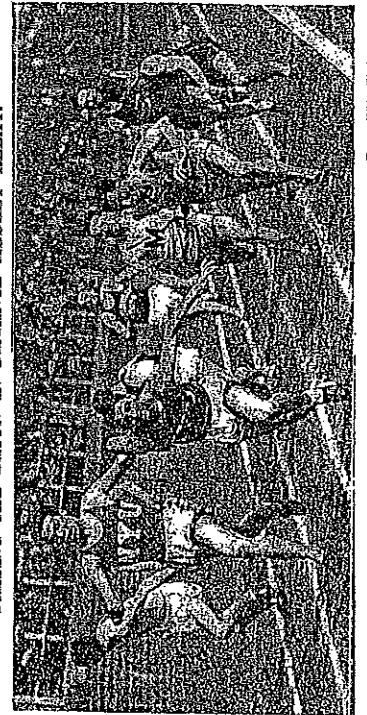

### Just Nips Own Mark.

In winning his third Penn relay  
steeplechase, McCluskey set a car-  
nival record for the third time. He  
triumphed by half a lap, but the  
timers caught him just under his  
own mark of a year ago, 9:28.6.  
The Ram ace clipped one-tenth of  
a second off this.

The schoolboy championships pro-  
duced Mercersburg and Mont Pleas-  
ant High School of Schenectady as  
the winners of major crowns. For  
the seventh time in nine years Mer-  
cersburg annexed the sprint laurels,  
while Mont Pleasant made its debut  
as a titleholder in winning medley  
honors as the 1932 victor Hamil-  
ton Collegiate Institute of Canada,  
went unplaced.

The Manhattan victory in the dis-  
tance medley succeeded in elimi-  
nating from the record books the  
10:15.8 figures that the Penn State  
quartet of Deeb Taylor, Alan Helf-  
frich, Schuyler Back and Larry  
Sbields set in 1922.

Relay Carnival's History.

Better Standards in High Jump

Ohio State Other Winners.

By **ARTHUR J. DALEY.**

Special to THE NEW YORK TIMES.

PHILADELPHIA, April 29.—The University of Pennsylvania one-mile relay team proved today that it could manage very well without the services of mighty Bill Carr. As its injured Olympic champion sat propped in pillows at a window at one end of Franklin Field, a Quaker quartet fled over the black cinders in the second fastest race in the annals of the Penn relay carnival.

A crowd of 35,000 watched with amazement while Jack Edwards, Les Schaeffer, Howard Jones and Jimmy Healey unreeled a dazzling 3:17.2 performance, figures that have been beaten only once in the thirty-nine-year history of this traditional meet, and that when Carr himself blazed the trail last year.

The favored New York University combination wallowed far in the ruck in third place as Penn became one of the few teams or individuals to emerge from a welter of upsets with some degree of success.

### Crowley Repeat Victor.

The only other repeaters today were Ohio State in the 880-yard relay, N. Y. U. in the four-mile relay and Joe Crowley of Yale in the discus throw. New winners appeared for every other event as the record output continued.

Five new carnival marks were established to make fourteen for the two-day show. George Spitz of N. Y. U. high-jumped 6 feet 5½ inches, a fraction over the old figures; Keith Brown of Yale pole-vaulted 14 feet ¼ inch, more than half a foot better than the previous best height, and a very surprising Violet four-mile relay combination clipped three and two-tenths sec-

wanted a rest of more than half a foot better than the previous best height, and a very surprising Violet four-mile relay combination clipped three and two-tenths seconds off the existing mark.

Not to be outdone by the collegians, the schoolboys contributed two records of their own. Loughlin cracked the Class B mile prep school standard and then went on to win the major Class A honors, and Stuyvesant did the same in the high school division, breaking the record in Class B and winning the other. St. Benedict's Prep also annexed a title, carrying off the interscholastic two-mile crown in 8:17.6.

#### Day's Only Double Winner.

It was Penn which captured the Lion's share of the awards. The Red and Blue triumphed in the mile and the shuttle hurdles to become the only double victor of the day. The other major honors were well distributed. They went to Ohio State at 880 yards, Columbia at two miles, N. Y. U. at four miles and Manhattan in the freshman mile.

It was Columbia which drove home the finishing blow to the Jasper hopes of winning the two-mile laurels as Bill Patterson outraced Joe Burns on the anchor leg, coming from behind to triumph. When Jackie Ryan and Frank Crowley of Manhattan were unable to repeat their sizzling performances of yesterday's distance medley in the four-mile affair today, the favored Green team lagged well behind and finished third.

Little consideration had been given to the Violet in this test. Coach Emil Von Eilling appeared to have something of a patched up quartet, using Sam Mothner, a half-miler, and Sam Grodman, a two-miler, to team with the erratic Frank Nordell and the consistent George Barker.

But it was Nordell, showing about the best form of his career, who came from twenty yards behind to thirty yards ahead in his leg against Ryan. Traveling close to 4:20, Nordell broke up the race and sent Barker loping off well in the lead. Crowley tried to pick up, but his muscles would not respond, so the burly Jasper ace jogged his leg and let Joe Mangan of Cornell beat him for second place.

#### Last in Four-Man Field.

Just as Manhattan disappointed its followers in this test, which had been deemed as good as won, so N. Y. U. failed to defeat the crippled Penn team in the mile relay. The Violet never did get in the running. To Joe Healey, just convalescing from an attack of scarlet fever, was entrusted the duty of carrying the stick on the initial leg, but the national 400-meter hurdles champion was far off his form and he finished last in the four-man field. The Violet stayed last until Harry Hoffman climbed into third place behind Karl Warner of Yale around the final turn.

This was Penn's race all the way. Edwards turned in a quarter in 0:50.6 as he handed Schaeffer, Carr's substitute, a three-yard advantage. The latter did 0:49.8 to hold his lead, and then came Jones, the ex-Erasmus schoolboy, with an effort worthy of the great Carr.

It was this Brooklyn heavyweight who broke up the race completely. Clocked in 0:47.6 for his leg, Jones left twenty yards between himself and the second man, and Healey, doing 0:48.2, held it to the end.

against such fine performers as Warner and Hoffman. Ohio State retained its 880-yard crown mainly through the efforts of Jack Keller, who outsped George Weinstein of N. Y. U. on the anchor leg, while Penn's shuttle walker victory was a virtual walk-over.

Pressed for three legs by Michigan State, Penn finished far in the lead as R. E. Steele high jumped over each hurdle merely to take the third medal. Steele had pulled a tendon in the heat, so that he no longer was able to skim over the sticks, but he gamely finished out the race to give his teammates at least one set of medals to carry back to East Lansing.

A pulled tendon also cost Al Kelly of Georgetown whatever chances he had of winning the 100-yard dash. Dick Hardy of Cornell just edged out Earl Widmyer, sensational Maryland sophomore, and Gordon Lynn of Clemson, the Southern Conference champion, in the good time of 0:09.9.

The winners in some of the other individual events were Pete Zarembo of N. Y. U. in the hammer throw with a good toss of 161 feet 5 inches; George Wernitz of Colgate with a fine javelin throw of 204 feet 9/4 inches and the record-breaking pair of Spitz and Brown.

# PENN RELAY TEAM SETS WORLD MARK

---

Covers 4-Mile Route in 17:21.7  
at Buffalo—Venzke Runs  
Anchor in 4:14.

---

BUFFALO, March 11 (AP).—The University of Pennsylvania team, anchored by Gene Venzke, star miler, smashed the world's indoor record for the four-mile relay tonight by almost twenty-two seconds.

Running in the Niagara A. A. U. annual games, the Pennsylvania quartet negotiated the distance in 17 minutes, 21.7 seconds. The previous record was 17:43 2-5.

Venzke ran the fastest mile of the four—4:14. Carl Coan was next best at 4:21. Bill McKniff and Dan Dean ran their miles in 4:23 and 4:24, respectively.

Bill Carr of Pennsylvania failed in an attempt to lower the world 300-yard mark. Running in a handicap race, Carr negotiated the distance in 0:31.4. The world mark is 0:31.1, and is held jointly by Alan Woodring and Loren Murchison.

## LANES ARE DRAWN FOR PENN RELAYS

### *N. Y. U. Gets No. 4 Position for the One-Mile College Title Test Saturday.*

Special to THE NEW YORK TIMES.

PHILADELPHIA, April 23.—New York University has drawn the No. 4 lane for the one-mile college relay championship event, one of the principal features of the annual University of Pennsylvania relay carnival, to be held next Friday and Saturday on Franklin Field. The one-mile test is scheduled for the second day.

Manhattan will be on the pole, with Cornell, No. 2; Yale, No. 3; Penn, No. 5; Temple, No. 6 and Pittsburgh, No. 7, according to the draw announced today.

The Army again drew the pole in the distance college medley race, the same position the Cadets held last year. In the sprint medley, in which Ohio State and Princeton are among the favorites, the Villanova quartet won the choice position. The Buckeyes will be in tenth position, the Tigers in eleventh and Yale in twelfth.

Ohio State will have the pole in the two-mile relay, in which Michigan State's great team, which turned in a 7:51 performance indoors, drew third place.

Yale, Manhattan, Army and Michigan State will line up in that order in the four-mile championship race, in which the second and fourth teams are regarded as the favorites.

In the Class B one-mile championship race, Temple drew the pole, with Columbia, Pittsburgh and Lafayette following and Michigan State, the favorite, in ninth position.

3,000 From 500 Colleges and  
Schools Will Compete in  
39th Annual Carnival.

## EIGHT OLYMPIANS IN FIELD

Drake Games Also to Get Under  
Way, With Cunningham and  
Metcalf Among Entrants.

By The Associated Press.

PHILADELPHIA, April 27.—  
America's greatest relay event—  
the University of Pennsylvania  
Carnival—makes its thirty-ninth  
annual bow tomorrow, with 3,000  
athletes from 500 colleges and  
schools featured in the production.

Seven of last year's winners and  
eight members of the triumphant  
United States Olympic team are  
listed to compete in both relay  
races and individual events of the  
two-day meet. There will be eighty-  
six events—thirty tomorrow and  
fifty-six on Saturday.

### Beatty Already on Scene.

Already the Hamilton Collegiate  
Institute's crack schoolboy team is  
on the scene, together with Gordon  
Lynn, Clemson's Southern Confer-  
ence sprint champion, and Eugene  
Beatty, Michigan Normal's ace  
hurdler, while more of the ath-  
letes are expected this evening and  
tomorrow morning.

Starting with the 400-meter hur-  
dles at 2 P. M. tomorrow, the car-  
nival speeds through to the hop,  
step and jump event, carded at the  
end of the afternoon's perform-  
ances, with the 120-yard high hur-  
dles, quarter-mile college relay,  
distance and sprint medley relays  
and the 3,000-meter steeplechase  
sandwiched in between as well as  
a number of scholastic title events.

From the sidelines, looking on,  
will be the greatest middle-distance  
runner of his time, Bill Carr,  
world's record-holding Olympic  
400-meter champion, whose injury  
in an automobile accident gave  
Penn's hopes of retaining its mile  
relay title a severe jolt.

## SEVEN RECORDS FALL IN PENN RELAY EVENT

### Hardy Captures Century Race

BY ALAN GOULD

Associated Press Sports Editor—PHILADELPHIA, April 29. (AP)—Altitude and distance were at a premium today as college and schoolboy athletic stars brought the thirty-ninth Pennsylvania Relay Carnival to an exciting close with three record-breaking performances.

Two of the East's most renowned individual performers, George Spitz of New York University and Keith Brown of Yale, soared to new carnival record heights. Spitz negotiated 6ft. 5 3/4-in. in the high jump to dislodge a sixteen-year-old record, while Brown cleared 14ft. 1-1/2-in. in the pole vault.

#### THESE BOYS ARE GOOD

New York University's brilliant distance quartet, consisting of Mothner, Grodman, Nordell and Barker, brought the meet to a climax by capturing the four-mile college championship in the new carnival record time of 17m. 43.4s. Barker withstood a great challenge by Joe Mangen, Cornell captain, to win by a good twenty yards in the last mile, with Manhattan's Frank Crowley third.

Seven major carnival records fell during two days of competition bringing together more than 2000 athletes.

Pennsylvania captured three of the eight varsity relay championships, including the classic one-mile relay for the third successive year. The Quaker quartet, composed of Edwards, Schaeffer, Jones and Healey, led all the way while their former ace runner and Olympic hero, Bill Carr, looked on from the window of a near-by building. Carr's running days are over, as a result of an automobile accident in which both legs were broken.

A quarter-mile in the startling time of 47.2s. by Howard Jones, Brooklyn boy, featured the Penn mile team's victory, which was clocked in 3m. 17.2s. Yale, with Karl Warren running anchor, finished second, twenty yards behind Healey of Penn.

Ohio State gained the only midwestern triumph in the relays by retaining the half-mile honor, helped by the fine anchor running of Jack Kellen, New York University, Yale and Cornell, finalists, trailed in that order.

The 100-yard dash went to Dick Hardy of Cornell, in 2.3s. Hardy defeated Earl Widmayer of Maryland and Gordon Lynn of Clemson in a blanket finish.

Columbia's two-mile relay team gave the Lions their only victory as Patterson of Columbia outran Burns of Manhattan to win by a narrow margin. Michigan State was third and Ohio State fourth.

#### SCHOOLBOYS FAIL

The invasion of Canada's schoolboy runners, from Hamilton College Institute, met with disappointment as they failed during the two days in all three of the races they won last year. Great running in two events today by Gricks, star of the Hamilton team, failed to overcome the handicaps of poor starts by his team-mates. He finished third for Hamilton in the interscholastic two-mile championship and sixth in the one-mile high school relay championship.

Aside from the record flights of Spitz and Brown, the only outstanding performances in the field events was made by Wernitz of Colgate, who came within five inches of the carnival record with a winning javelin throw of 204ft. 0-1/2-in.

Other winners and their marks: Hammer throw, Zarembo, New York University, 161ft. 5-in.; broad jump, McNally, Holy Cross, 22ft. 9-in.; discus, Crowley, Yale, 139ft. 9 1/4-in.; shot put, Deas, City College of Detroit, 48ft. 5-in.

### Douthit Bought by Chicago Cubs

CHICAGO, April 29. (AP)—The Chicago Cubs tonight announced the purchase of outfielder Taylor Douthit from the Cincinnati Reds. The purchase price was not revealed. Douthit was with the St. Louis Cardinals for several years before going to the Reds. He played in the 1926-28-30 World Series with the Cardinals before going to Cincinnati in a trade.
